

REGISTRATION OF ACCREDITED TRAINING PROVIDERS FOR SKILLS DEVELOPMENT PROGRAMMES

REGION: Middelburg, Witbank, and Greater Mpumalanga

Brimis Engineering Company seeks to register accredited training providers into the company's supplier database. Once registered, these providers will be eligible for consideration in future skills development programmes aligned with organizational needs and SETA requirements.

2. SCOPE OF REGISTRATION

Training providers must:

- Be accredited with any relevant SETA (e.g., MQA, MERSETA, Services SETA, etc.).
- Operate within Middelburg, Witbank, or greater Mpumalanga.
- Offer accredited programmes that contribute to workforce development and compliance.
- Provide evidence of accreditation, scope of training, and certification processes.

- Providers meeting requirements will be registered into the company's database.
- Registration does not guarantee immediate allocation of training projects but ensures eligibility for consideration for skills development programmes.
- Preference will be given to providers with strong local presence and proven track record.

3. REQUIRED DOCUMENTATION

Applicants must submit:

- Company profile.
- Proof of SETA accreditation and scope.
- Evidence of experience in delivering accredited training.
- References from previous clients.
- B-BBEE certificate and tax clearance.
- Pricing schedule (optional at registration stage, but encouraged).

5. SUBMISSION DETAILS
